## GET TO KNOW US

Patti and Stefanie were working as labor and employment lawyers when they saw small businesses fail to thrive because of avoidable legal mistakes. They founded Gotcha Covered HR in 2014 to support the small businesses of New Orleans to grow and thrive while being HR compliant. Since then, our team of HR consultants has continued to expand, providing extensive experience in customizing strategies and solutions for entrepreneurs, small businesses, non-profits, and corporations alike. Our services go beyond the one-size-fits-all approach to serve your unique needs for better business outcomes.
