

Gotcha Covered HR and Delta Administrative Services Announce Strategic Partnership

New Orleans, LA - October 2, 2023 - Gotcha Covered HR and Delta Administrative Services are excited to announce a strategic partnership that will offer businesses of all sizes a complete range of HR solutions, while also providing cost-effective and efficient ways to outsource their HR needs.

A minority and woman-owned business born and bred in the heart of Louisiana, Delta Administrative Services is a leading provider of HR solutions, catering to small and mid-size businesses. The company offers a wide range of services, including HR compliance, payroll processing, benefits administration, risk management/safety and access to HRIS technology. Their expert team of consultants handles the stress and paperwork of taxes, payroll and compliance, enabling businesses to reduce their labor costs, increase profitability and stay focused on critical business issues.

Gotcha Covered HR was founded in 2014 by a labor and employment attorney. The primary objective was to provide a resource to the business community of New Orleans for cost-effective professional HR support. Whether it's managing workplace risk through compliance strategies, developing people and culture or improving HR structure, GCHR is a trusted business advisor that believes in building strong, resilient workplaces. Through its work with small business incubators and women and minority-led advocacy groups, GCHR has been visible and vocal in its support of the entrepreneurial spirit that drives a dynamic business climate.

These two businesses provide a powerful partnership between Gotcha Covered HR and Delta Administrative Services that will revolutionize the way businesses handle their HR operations. With their combined wealth of expertise, this partnership offers a one-stop solution for all HR needs, saving businesses valuable time and resources. This means that businesses can now dedicate more time and resources to their core operations, ultimately leading to strategic growth. Overall, this partnership is a game-changer for businesses looking to streamline their HR operations and boost their bottom line.
